

MANUEL OVIEDO

Marketing & Data Analytics · CRM, Guest Engagement & Media Measurement

Bogota, Colombia · +57 350 874 8103 · manuelov9426@gmail.com · English C1 · Spanish Native

PROFILE

Marketing analytics specialist with 6+ years driving measurable growth for Fortune 500 brands including Nestle, Coca-Cola, Lego, and Universal. Combines deep analytical capability with hands-on CRM and guest engagement experience: from designing omnichannel campaigns (email, push, in-app, SMS) and loyalty-driven cross-sell strategies for a top-5 global restaurant chain, to building Marketing Mix Models that optimized \$100M+ in media spend. Equally comfortable building a dashboard and leading a client meeting. Experienced with Klaviyo, Mailchimp, GA4, and Amplitude. Pursuing a Master's in Artificial Intelligence applied to marketing measurement.

CORE COMPETENCIES

CRM & Engagement	Klaviyo · Mailchimp · Email Campaigns · SMS · Audience Segmentation · Loyalty Programs · Campaign Automation
Measurement	Marketing Mix Modeling (Meridian, Robyn) · Attribution · Incrementality & Lift Testing · A/B Testing · Causal Impact · ROI/ROAS · CLV
BI & Platforms	Power BI · Tableau · Looker Studio · GA4 · GTM · Amplitude · Google Ads · Meta Ads · HubSpot
Data & Engineering	SQL · Python · R · BigQuery · Snowflake · Databricks · GCP · scikit-learn · TensorFlow
Client & Strategy	Data Storytelling · Client Relationship Management · Stakeholder Management · Budget Allocation

EXPERIENCE

Ads & Personalization Analyst

Sep 2025 - Present

Universal Destinations (NBCUniversal)

Remote · Contractor

- Quantified campaign incrementality through Randomized Control Trials across Display and Paid Social, isolating conversion drivers that redirected budget toward proven-effective channels.
- Built a reusable experimentation framework adopted across media, analytics, and creative teams, cutting test-to-insight turnaround time.
- Reallocated spend across regional segments using geographic A/B testing on ROAS, CVR, and CTR with significance validation.

Senior Data Scientist

Oct 2024 - Sep 2025

Making Science

Bogota, Colombia

- Grew average order value 10% for a top-5 global restaurant chain (McDonald's) through app analytics, CRM campaign performance analysis, guest engagement strategy, and loyalty-driven cross-sell across email, push, and in-app channels.
- Owned end-to-end campaign measurement for omnichannel guest activations, translating behavioral data into actionable recommendations that informed retention, reactivation, and upsell strategies.
- Delivered 13% ROI uplift for a charter-flight client by building Marketing Mix Models that quantified channel contribution and reshaped budget allocation.
- Standardized ecommerce funnel measurement by designing GA4 and Amplitude tagging across web and app, eliminating reporting inconsistencies.

Search Analyst

Feb 2024 - Oct 2024

PGD

Bogota, Colombia

- Safeguarded \$100K+/month in Google Ads spend by implementing conversion tracking and pixels across search and display.
- Recovered analyst hours weekly through automated QA dashboards and proactive landing-page audits.
- Restructured campaigns around shared objectives, surfacing new keyword opportunities and sharpening account ROI.

Data Analyst

Oct 2022 - Feb 2024

Grou Marketing

Bogota, Colombia

- Sustained 20:1 ROAS on flagship omnichannel campaigns while planning cross-channel media (Meta, Google Ads, LinkedIn) on \$15K monthly budgets.
- Lifted data quality for sites with 40K+ monthly users by implementing enhanced-ecommerce tagging in GA4 and Looker Studio.
- Boosted acquisition and retention by resolving UX issues and refining audience segments for SEO, lifecycle email, and CRM improvements.

Data Analyst

Apr 2021 - Oct 2022

Kinesso (IPG)

Bogota, Colombia

- Optimized \$100M+ in media spend for Lego, Nestle, and Coca-Cola by building end-to-end Marketing Mix Models reconciling platform tags with offline sales data.

- Improved forecast accuracy 15% through interactive Looker dashboards and narrative insights guiding real-time budget reallocation.
- Cut data-processing time 30% by automating multi-source ingestion and QA (BigQuery, Python, dbt).

Consultant

Jan 2020 - Mar 2021

Dalberg Advisors

Bogota, Colombia

- Co-authored World Bank publication on modern energy cooking services, leading market research and data analysis across multiple countries.
- Communicated policy findings through dashboards and executive-ready visuals for international stakeholders.

Transfer Pricing Assistant

Jul 2018 - Dec 2019

KPMG S.A.S.

Bogota, Colombia

- Automated transfer-pricing studies and market comparables for multinational clients with Excel macros, managing complex multi-source databases.

PUBLICATIONS

The State of Access to Modern Energy Cooking Services

World Bank Group · Energy Sector Management Assistance Program (ESMAP) · 2020

Co-authored comprehensive report analyzing global access to modern cooking energy, informing policy recommendations across low- and middle-income countries for the World Bank's Sustainable Development Goal 7 agenda.
